

Nonprofit Package Product Highlights

USLI offers products built specifically for nonprofit organizations. Each product is designed to meet the needs of its industry segment and typically includes **general liability, hired and non-owned auto, property, crime, directors and officers, employment practices** and **special events**. Our products are customizable either as a package or as standalone coverage. Placing nonprofit package business is easy with one application, one quote, one underwriter, one policy and a streamlined renewal process. All products are available for instant phone and web quoting (social services does not include web quoting).

▶ Arts and Culture Package

We target nonprofit performing arts groups, theater companies, orchestras and choral groups as well as art galleries, museums and theater buildings. Our package includes abuse and molestation as an added protection for those groups working with children or teaching classes.

▶ Charitable and Business Associations

A product designed for fundraising organizations and business membership organizations including arts and cultural support, booster clubs, foundations, parent/teacher associations, chambers of commerce, professional associations and trade associations. Our competitively-priced package solution provides coverage for meetings and networking events with the ability to provide blanket special event coverage to handle frequent fundraising activities. Our Educational Enhancement endorsement is available for seminars and workshops, and abuse and molestation coverage is also available up to \$1 million.

▶ Houses of Worship

A product designed for houses of worship, including churches, synagogues, mosques and temples for all faiths and denominations. Our package provides pastoral professional, abuse and molestation, and third party sexual harassment or discrimination coverage. Special events and outreach activities are automatically included and do not need to be scheduled onto the policy.

▶ Nonprofit Premises Preferred

This product is designed for nonprofit organizations that only require premises liability to comply with lease requirements. The landlord can be added as an additional insured for no additional premium.
