

# Miscellaneous and Technology Errors and Omissions

Professional service providers face a unique set of challenges in today's business environment. Professionals need protection from claims that arise due to errors and omissions in their work. They also need coverage for media content and breaches of personally identifiable information. Our full-service products can cover these exposures in one package.

USLI protects nearly 25,000 professional service providers. We bring over 20 years of errors and omissions experience while displaying an unparalleled commitment to service, accessibility and the ease of doing business.
